Dear Kenton:

We just wanted to thank you again for the fabulous job that you and your team did on our master bath and hall bathroom remodels. The end product was everything we could have wanted. We couldn't be more pleased with the results.

We truly appreciate the professionalism and attention to detail that you and your team brought to the project. From demolition to final walk-through, every aspect of the project was completed in a manner dedicated to quality and customer satisfaction.

We would like to extend a special thanks to Mat, our job foreman. He saw that every aspect of the job was completed to our satisfaction. He always made us feel that our satisfaction with the project was his number one priority. He was great to work with and an asset to your team.

We certainly would not hesitate to use your company on future projects or to recommend you to anyone wanting to embark upon a home improvement project.

Thanks again,

Larry and Kelley Garrett
