Kenton Pass
The Sawhorse Company
120 North Tejon Street
Colorado Springs, CO 80903

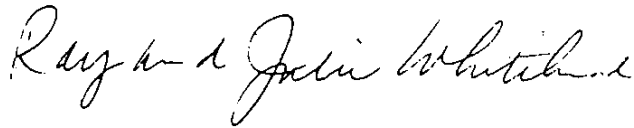

Dear Kenton:

As we near completion on the final touches, we wanted to let you know how pleased we are with our new home. We believe we have a finely constructed home, with all the thought and attention to detail we asked for when the project first began. Your guidance on the period accuracy was an additional benefit to us.

Additionally, we found everyone at The Sawhorse to be focused on quality and customer-centered service. Ed very often was a step ahead of our requests and always responsive when we had a need or question.

We wish you well on all future endeavors and know that your clients now and in the future will love their Sawhorse homes as much as we do.

Sincerely,
